Introduction and Statement of Commitment

It is our aim at Rem-Tech Industries Inc.'s aim to ensure that in the course of all of our business -related transactions, all individuals are accommodated with dignity and respect.

The government of Ontario passed the Accessibility for Ontarians with Disabilities Act (AODA), in 2005. The AODA aims to make Ontario accessible by 2025. Businesses with 50+ employees are required to establish, implement, and maintain a multi-year accessibility plan. This plan must outline Rem-Tech Industries Inc.'s ("Rem-Tech") approach by including the following.

- Strategy to prevent and remove barriers for persons with disabilities.
- Update the plan once every 5 years.
- Be accessible on Rem-Tech's website.

Rem-Tech Industries Inc. is a private custom machine shop located in Aylmer, Ontario, Canada. Since opening in 2000, Rem-Tech has grown to employ 100+ employees. This growth has allowed the company to expand its facilities and become more accessible with each expansion.

The management team at Rem-Tech Industries Inc. is committed to providing equal service to persons with disabilities in accordance with the Accessibility for Ontarians with Disabilities Act, 2005 (AODA) and, the Accessibility Standards for Customer Service, Ontario Regulation 429/07. Rem-Tech continually strives to remove and prevent accessibility barriers to our employees & to our customers with disabilities.

Below is Rem-Tech Industries Inc. Multi-Year Accessibility Plan. This plan outlines the steps that we are taking to meet AODA's requirements to prevent/remove barriers for people with disabilities.

Rem-Tech's plan will be reviewed & updated once every 5 years. Any needs that arise prior to the time they are scheduled will be addressed in a timely manner at time of occurrence.
